Details of exchange

Date of exchange: 24.06.2019- 19.09.2019

Duration of exchange:3 months

Brief introduction

Both participants were very interested in cooperating they were very excited when they discovered through the EYE platform

The common goals of this exchange was sharing experience on the field of EU projects management, best case practices and learning from each other in the field of personal and professional development of young people. Both, the NE and the HE are experts in their field of work, thus they decided for this perfect match of exchange in order to grow their career.

New Entrepreneur's goals for this exchange was to study the labor market in Poland. Get inspired and learn how to improve the strategy for the business.

Host Entrepreneur's goals was to develop different approach in project management. Develop new ideas for projects and educative programs and learn new fund raising approach.

Activities undertaken

During this cooperation they undertake many activities linked into preparation of new application forms. They conducted workshops for young people and developed new strategies as well as lead volunteers team. Ms Sanja has coordinating international and local activities and supporting Mr Mateusz with his duties.

They undertaken coordination of 2 international youth exchanges and coordinate volunteers meeting all together they developed communication development plan in organization.

They both increased management skills so this collaboration was very successful.

Impact

Cooperation made us look closer for communication processes in our company and especially have shown areas to be improved. New Entrepreneur was helpful in everyday organizational life and in strategic planning.
