Length of the relationship in months	2 Months
Starting date of the current time slot	November 1 st 2023
Ending date of the current time slot	November 30 th 2023
Name of NEs Company + Website	Sara Mosele Interiors www.saramosele.com
Describe your Company/ Idea in a few words	VIRTUAL ARCHITECTURAL SERVICES
Results & Benefits achieved	Exchange of experience, management of an architectural firm, learning about new technologies in design, establishing cooperation
Activities during the exchange	meetings with designers, getting to know the city of New York (museums, concerts, parks)
Challenges	The big challenge was to do the designs in inches not centimeters like in Europe, but over time I learned.
Next goals	I will be more than happy to work with Sara and keep in touch. I will use the programs that Sara uses in her company, this should make my work more efficient. The experience I gain in New York will help me to establish international cooperation more easily.
Quote on the EYE experience and your RLT	it was a good experience
